SHIRE STAFF SPOTLIGHT

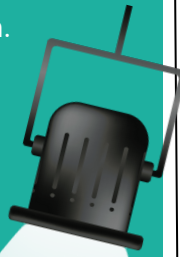

Milayna Giedraitis - Business Trainee

Milayna recently joined our team as the Business Trainee and will be based across both the Shire Administration Office and Wongan Hills CRC, supporting customer service and financial administration tasks. Milayna was born in Wongan Hills and has lived locally ever since with her parents running the family-owned business, Wespray Boomsprays. Milayna is 1 of 6 children, comes from a large family and what we can only imagine as a very busy household growing up. Milayna is a keen netballer, playing since she was just 6 years old and can still be seen at the Wongan Netball Courts today.

Previous to joining us at the Shire, Milayna studied nursing at university for one year before deferring for a year to return to Wongan.

Milayna wishes to one day be a travel nurse working in third world countries and we can't think of a better career choice for her soft caring nature.

Whilst at school, Milayna had the opportunity to sail aboard the Leeuwin on a 3-day adventure and youth scholarship. Milayna was 1 of 40 chosen out of over a thousand applicants.
