## POP UP YOUTH CENTRE GRAND OPENING

On Monday 25th November, we hosted a Grand Opening of our new Pop-up Youth Centre space at the Wongan Hills CRC. Over 25 youths attended with guest appearances from Mrs Yeats and Miss Marshall (who is a very competitive ping pong player), Cr Stuart Boekeman, CEO Sam Dolzadelli, Constable Adam Winter from the Wongan Hills Police and parents.

This idea was developed and inspired through ideas presented by students at the school and through youth engagement. Thanks to Lorraine Lobo and the Wongan Hills Youth Group for support of this initiative.

We would like to thank the Wongan Hills Progress Association and Wongan Hills Rotary Club for their funding support with assisting to purchase the items for this space. Wongan Hills Progress Association were also successful in a grant application through CBH which also helped to support our idea.

The Shire have identified there is gap in our small town for a safe space for youths to hang out. We hope this space will be well used, respected and our youths will enjoy hanging out here when it is open. We will be opening the space during set days in school holidays and once a month during term time on the first Wednesday of each month. This space is open to young people in years 7 and up to the age of 18.

We look forward to seeing the success of this initiative and how this space evolves over the next year.
