

# COLOCATION UPDATE

## September 2019

### Wongan Hills Sports and Community Co-Location Project

Construction and core filling to approximately 400 linear metres of retaining walls is now complete. In addition, the builder has completed waterproofing the retaining walls and backfilling of the sand pad.

Coolroom and kitchen modifications will commence next week, immediately after the last hockey game for the season. Simultaneously, construction will begin on the gymnasium and squash courts.

Work on the carpark located near the hockey oval side of the Pavillion is progressing steadily and siteworks to allow for shaping of the new carpark, drainage and lighting installation is all underway.

This Project is made possible through the financial support of:

The Shire of Wongan-Ballidu  
Lotterywest  
Dept. of Local Government, Sport & Cultural Industries:  
Community Sport & Recreation  
Facilities Fund (CSRFF)  
Wongan Hills Community Association  
Wongan Hills Sport and Recreation Council  
Tennis Australia  
Kondut Greater Sports Council  
Wongan Hills Tennis Club  
Wongan-Ballidu Community Fitness Club

This Project would not be possible without the support of all sporting and community groups within our Shire who have collaborated on this project.

In particular, we would like to show our appreciation to the Colocation Steering Committee comprising:

**Don Sadler**  
**Jeff Brennan**  
**Megan Pawsey**  
**Matt Sewell**  
**Stuart Taylor**

Special thanks for demonstrating great Community Spirit:

Community members and volunteers from the Shire of Wongan-Ballidu and surrounds including individuals, local businesses and sporting and community groups in undertaking the mammoth task of carting approximately 10,000 cubic metres of sand.
